The Domaine at-a-glance

Owner: Isabel Ferrando
Winemaker: Isabel Ferrando
Soil: Gallets Roulées, Clay, Sand and Alluvial Deposits
Size: 13.5 Ha **Location:** Châteauneuf du Pape, France

Isabel Ferrando

Isabel Ferrando has quickly become one of the leading producers of Châteauneuf du Pape. Domaine Saint Préfert is a long established domaine, and was one of the first wineries to estate-bottle Châteauneuf du Pape in the 1930's. Today Saint Préfert's Grenache vines average more than 70 years old, and the domaine still has some of the original Mourvèdre vines that were planted in the 1920's. So, when Isabel had the opportunity to purchase Domaine Saint Préfert from its original owners (the Serre family), she jumped at the chance. From the very beginning Isabel breathed new life into this venerable domaine. She released her first vintage in 2003, and in 2004, she purchased more land. From these new vineyards she makes the 100% Grenache Cuvée Colombis, which she bottles under the Domaine Isabel Ferrando label.

In her relentless quest for quality, Isabel leaves nothing to chance. Like most great winemakers, she knows that great wines are made in the vineyard. She has always worked organically, and her winery is now certified (Ecocert) organic. When it comes to quality she has an open mind to new ideas, but never discounts the merits of tradition. Beginning in 2009, Isabel started working with whole-cluster fermentations (without added yeasts,) finding that it increased complexity in the wines and lowered alcohol, giving the wines complexity. The wines are aged in a combination of small barriques, concrete and 600L barrels for up to 18 months, depending on the vintage.

Wine Advocate - (92-94) pts

Domaine Isabel Ferrando - Châteauneuf du Pape "Colombis" 2014 100% Grenache

Technical Notes: The Vines used to make the cuvee Colombis grow in the lieu-dit named "Colombis" with same sandy soil found in the area of Château Rayas. Colombis is made exclusively from 60-year-old Grenache vines. The old vines provide concentration and power, while the terroir give the wine its finesse and elegance. Colombis, is whole-cluster fermented in tronconique oak tanks, (opposed to the cement used for Saint Préfert). The wine is then aged in neutral tronconique barrels for 18 months before bottling.

Tasting Notes: The hallmark of the lieu-dit "Colombis", is elegance and finesse.using a selection of 60+ year old Grenache vines. Intense cherry, and black raspberry fruit flavors combine with hints of spice , leading to a silky finish in this wine.
